SEPULVEDA TUNNEL CLEANING

Next week, the Sepulveda Tunnel will experience nightly lane restrictions for cleaning by the City of LA Bureau of Street Services. Work is scheduled for Monday, January 27 through Friday, January 31, four consecutive nights from 11PM to 5AM each night. Northbound and southbound traffic will be maintained at all times while cleaning occurs. Please plan ahead for potential delays and always use caution when traveling near work areas.

TERMINAL 4 CONCOURSE IMPACTS

To facilitate construction for the American Airlines Terminal 4/5 Modernization Program, the following Airline Gate impacts will take place in Terminal 4 (updated information)

Gates 42B, 45 & 46A: Closed Jan. 22, '25 through Apr. 20, '27

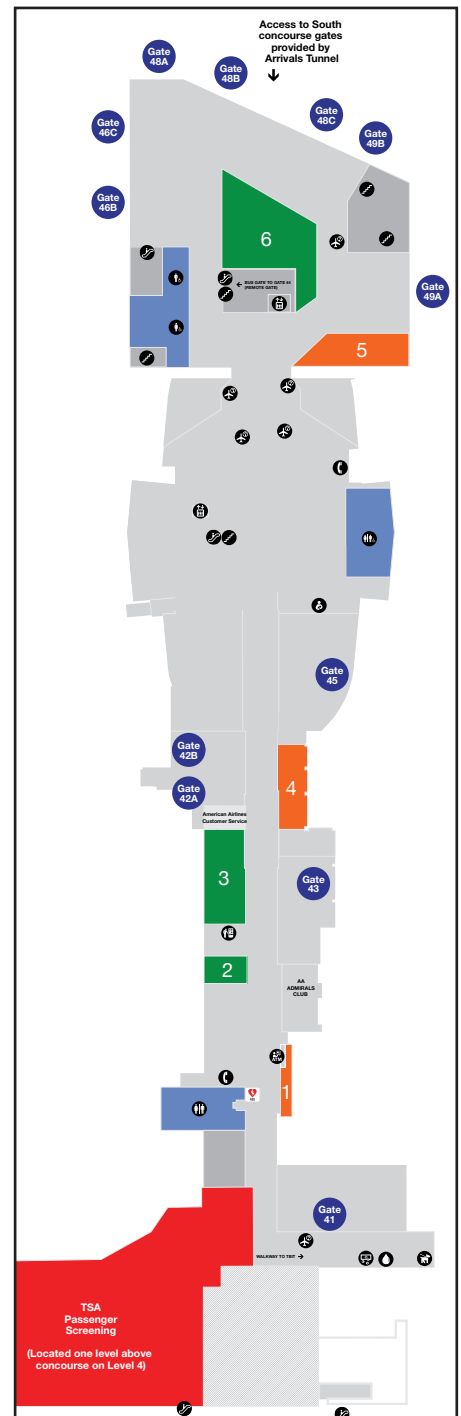

*Interior holdrooms will not be available at the gates listed above. The next phase of construction will close the central portion of the concourse; guests will be detoured to Level 1 to reach open airline gates at the south end of the concourse.

Next month, the following Airline Gate impacts are scheduled to occur in Terminal 4:

Gate 43: Closed Feb. 10 through Aug. 29, '25

Gates 47A & 47B: Reopen Apr. 15, '25; closed since Oct. 3, '24

Signage is posted alerting guests of all closures and related detour routes to access open gates, holdrooms, concessions and other facilities throughout Terminal 4.

#5 JANUARY 2025: 24/7 CTA LANE RESTRICTIONS

The map below is a collective snapshot of all scheduled 24/7 lane restrictions for CTA Departures and Arrivals Level Roadways for the month of January 2025.

PLEASE NOTE:

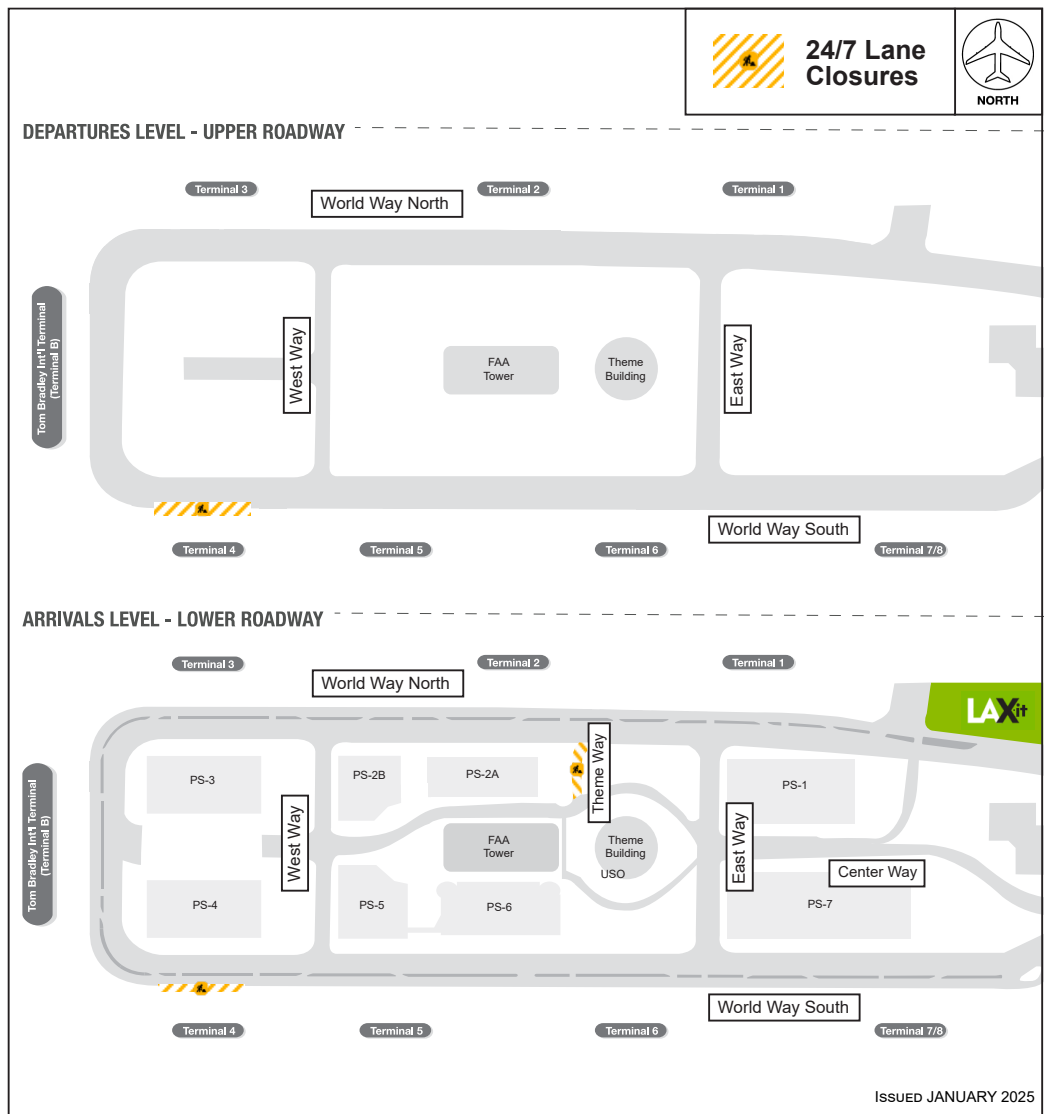

This map only reflects 24/7 continuous lane closures in the CTA; other nightly lane closures / sidewalk restrictions may be in place to facilitate construction activities.

ACCESS MAINTAINED:

Traffic around the Central Terminal Area will be maintained at all times, as well as access to passenger pick-up and drop-off.

PLAN AHEAD:

Motorists should plan ahead for potential delays.
